Background / Opening / Motivation/ Goals ...etc.

You have exactly 5 minutes to present your poster

Don't include too many slides. Keep it simple and short

Start with the background information / motivation of your research / Why your study needs to be done? / Goals / etc. (using bullets / no text)

Attract the audience with a convincing motivation / open questions / the problem

Don't include text... Explain orally your findings... Please don't read from the screen!

Don't use too many colors and animations... Only if really needed!

Don't change this template please and use the fonts / sizes displayed on this slide

Keep it at 4 minutes!

Background / Opening / Motivation/ Goals/ Hypothesis

These are some tips for points to cover

1. Organization (It is easy to follow?)
2. Visuals (Clear figures, layout, readable)
3. Presentation (Engaging, interesting, clear speech)
4. Technical level (Appropriate for level)
5. Aims and hypothesis (Stated clearly)
6. Methods (Concisely described and address the research hypothesis)
7. Results (Sufficient evidence to support conclusions)
8. Conclusions (Clear discussion of findings)
9. Future directions (Suggestions for further research)
10. Significance (Broader implications for clay science)

1. Methods

Heading /Calibri Regular 18pt/Charcoal

Paragraph text /Calibri Light 18pt/Charcoal

- Bulleted text /Calibri Light 18pt/Charcoal.
- Bulleted list level one text
 - Bulleted list level two text
 - Bulleted list level three

2. Results

Heading /Calibri Regular 18pt/Charcoal

Paragraph text /Calibri Light 18pt/Charcoal

- Bulleted text /Calibri Light 18pt/Charcoal.
- Bulleted list level one text
 - Bulleted list level two text
 - Bulleted list level three

Limit graphic images to 200 dpi (anything larger makes files unnecessarily large).

Conclusions

- This study aimed to / at
- Results show
- Based on / Using we were able to
 - Bulleted list level two text
 - Bulleted list level three
- Our study helps to better.... / resolves / adds / (detail briefly the implications / usefulness / clearly define the impact of your work / Clear take-home message)
- PLEASE KEEP IT TO LESS THAN 5-MINUTES !
- ANY PRESENTATION OVER 5-MINUTES WILL BE DISQUALIFIED.
- Don't give acknowledgement for support. You can do this at your talk or in your poster.
